

# Plant Label Key

## Conditions tolerance levels

					
full sun	high shade	high wet	high dry	high frost	high wind
					
partial sun	partial shade	medium wet	medium dry	medium frost	medium wind
					
low sun	low shade	low wet	low dry	low frost	low wind

## Where to plant – suitable habitats

			
forest	shrubland	riparian	wetland
			
forest <i>not suitable</i>	shrubland <i>not suitable</i>	riparian <i>not suitable</i>	wetland <i>not suitable</i>

## Pollination

		
by birds	by insects	by wind
		
<i>not by birds</i>	<i>not by insects</i>	<i>not by wind</i>

## Seed dispersal

	
by wind/gravity	by birds
	
<i>not by wind/gravity</i>	<i>not by birds</i>
