Time – 6.30-7.30pm - evening workshops

Koha - no booking required

For More Information email rances@southlandcommunitynursery.org.nz or phone Chris 03 21231161 (evenings)

Description

Foraging – “To search widely for food or provisions”. Learn how to find, identify and safely use local herbs, weeds and native plants. Workshop aimed at beginners with an interest in wild foods and those wanting to gain an insight into useful (and harmful) plants that grow specifically in Southland and for those wanting to share their knowledge.

Why forage?

- Higher nutrient value of food
- Diverse diet
- Being self-reliant
- Connect with nature
- Being thrifty

Basic Rules

- Be able to identify your edible or poisonous plants
- Take only what you need and sustainably harvest
- Enjoy the experience

To bring – gumboots or sturdy shoes, wet weather gear or sunblock! Plastic bags for collecting.

Facilities and Equipment Provided – wild foraging places, fruit and nut orchards, native bush areas. Education Centre indoor facility. Samples of foraged delights!
